

**MOCHTOYS**<sup>®</sup>  
"MOCHTOYS JOY COMPANY"

Inspired by Fun,  
Driven by Passion.

**2025**

## Dear Customer,

*this catalog is the result of the professionalism and passion of the entire Mochtoys team, showcasing our dedication to providing a diverse and exceptional product range. We are proud to introduce our latest product lineup alongside our cherished and popular bestsellers.*

*Explore the collection and let yourself be inspired!*

Owner  
*A. Rodin*

# Why Choose Us?

Expertise in OEM manufacturing

Own tooling workshop

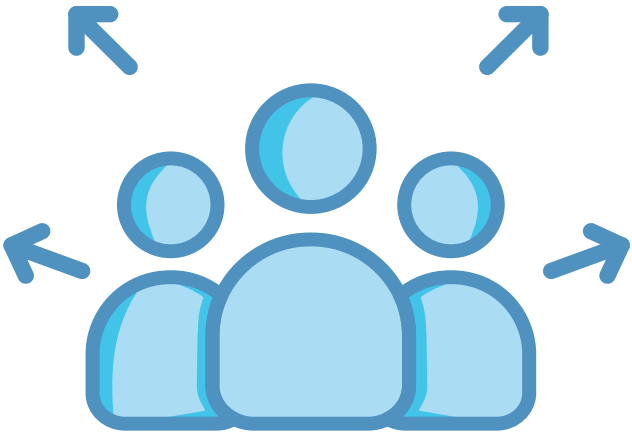

High Quality with ISO 9001:2015

Over 30 years of experience in injection and blow moulding

New items created every year

# Facts and figures

Since 1993, we've been developing our company with a focus on innovation and quality.

**1993:** Company founded with one sand set.

**1999:** First factory in Otwock.

**2001:** Launch of the first sandbox.

**2004:** Introduction of IML labels.

**2008:** Expansion with a new factory in Wola Ducka.

**2011:** Premiere of the Garden House.

**2015:** Introduction of the Big Slide.

**2020:** Launch of the modern Happy house.

**2021:** Innovative production from Post Consumer Recyclate.

**2022:** Introduction of the Smart House.

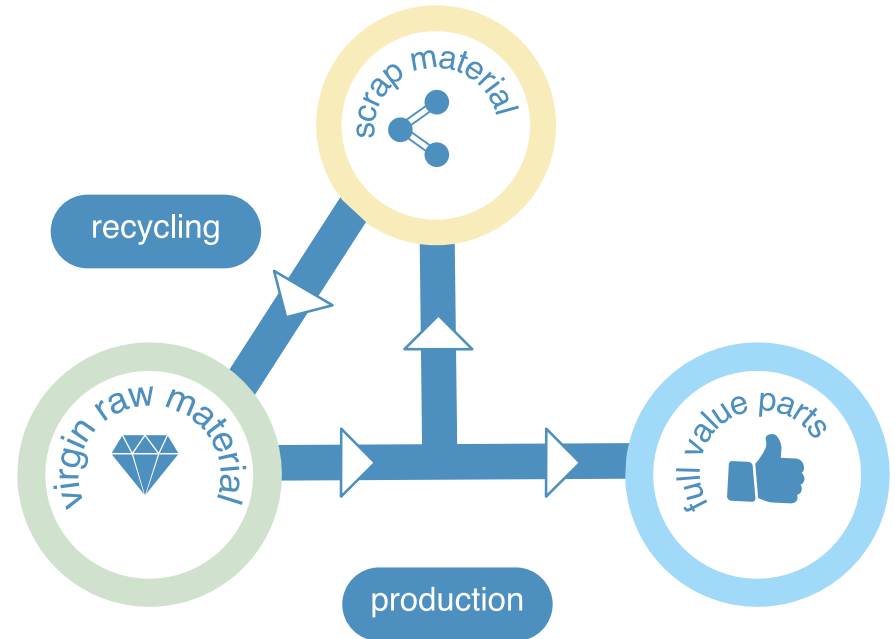

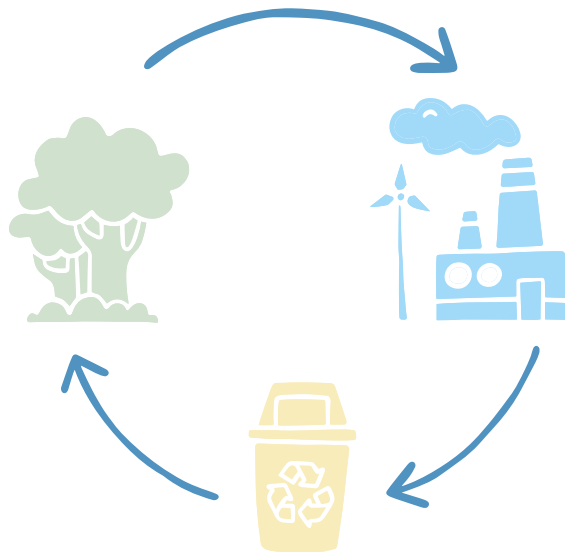

**2023:** Line of toys with Bio Component.

**2024:** Sensory toys - Play & Squish series.

# Commitment to Sustainability

-  Zero waste strategy
-  Environmental policy
-  Energy efficiency
-  Sustainable packagings

Full traceability of milled raw material.

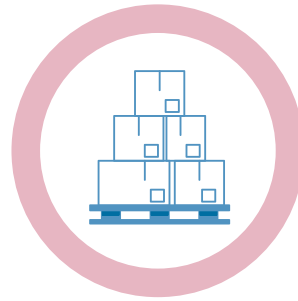

# Our Growth and Innovations

**180+**  
employees

**18000**  
sqm of area

**17000**  
pallets  
warehouse

**30+**  
countries  
reached

**5mln+**  
toys sold  
per year

## BIO innovation

In care of environment we created line of products including bio component based on oats/wood fibers. It allows to use less plastic for the production!

## Recycled plastic

In 2021 we started partnership with waste management company PreZero, which close loops with PreZero Polymers. PreZero recycled granules from post-consumer plastics, i.e. plastic waste generated by private or commercial end users, as well as post-industrial waste.

# Our range

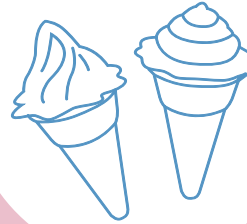

outdoor items

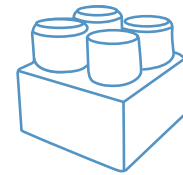

vehicles

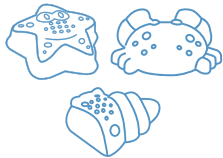

summer sets

blocks

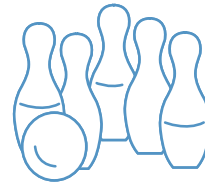

toys with bio component

toys made of recycled plastic

indoor items

garages

# Eco friendly toys

MADE OF 100% RECYCLED MATERIAL

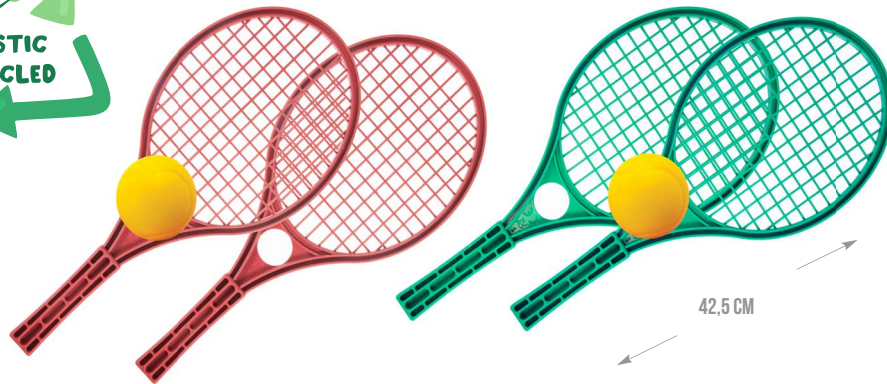

## Cooperation with PreZero

In 2021 we started partnership with waste management company PreZero, which close loops with PreZero Polymers. They provide recycled granules from post-consumer plastics, i.e. plastic waste generated by private or commercial end users, as well as post-industrial waste.

The key to the closed loop: From production to retail and all the way to waste removal and recycling.
